

2011 New Snow Day Policy for Village School Parents

This has been the first year that we have had enough warning (good weather forecasts) to cancel school the night before a major snow storm. We would like to set up a new protocol.

When we are closing school the night before, we will send out an email, before 10 p.m., to all parents. You will not get any phone calls.

Also, you can always check the school closings list on www.thebostonchannel.com to see if Athol-Royalston is closed.

When we do not find out we are closing, until the morning, you will always get a phone call that morning. (Unless you let your classroom teacher know that email in the morning works for you too.)

If you are not likely to check email, let the office, and your classroom teacher know, and he or she will make sure to call you.

We are trying to streamline this process and avoid unnecessary phone calls.

Thank you,

Rise
