Saturday
February 4, 2012

10:00 am - 12:00 noon

Arts & crafts, science and
musical activities for your children
Meet the teachers and alumni
Admissions information

“*The Village School taught me how to try and gain real understanding out of learning. I know how important it is to **understand** things, not just **know** them. The Village School also gave me a very unique environment growing up, because it supported me as a person. I always had a solid confidence in who I was, and where I came from.*”

K.W., Village School alum
