

## Bird House

There is a family of birds  
living in a bird house.  
there are three birds  
called Logan, Jackson and Gabe  
and in that bird house  
was a seed  
it grew into a beautiful flower.  
and one day  
Jackson cut the cheese  
and picked the flower.  
Then Logan said, "Peeyou"  
and flew off  
and at the same time hit Gabe in the face  
(by accident of course)  
then  
everyone tumbled down a hill  
in happiness.
