

## Grass

I see

baby pine tree, leaves,  
grass, tiny leaves,  
the fence, pine needles.

I hear

birds, the wind, a truck,  
people, the crinkling of leaves,  
crickets.

I smell

the wind, leaves,  
pine needles, my hat,  
a leaf.

I feel

leaves, pine tree,  
tickly grass, a sticky branch,  
more pine needles stick, my hat,  
prickly leaves.
